Job Opportunities: Westgate is constantly monitoring the COVID-19 situation and the required closure period as mandated by Governor Steve Sisolak. We expect to recall laid off Team Members as soon as the resort reopens, and business demands improve. Our sincere hope is that you will be able to return to work at Westgate Las Vegas as soon, but we understand if, in the meantime, you need to seek employment elsewhere. We wish to assist WGLV Team Members during this time by providing updated job opportunities available in the Valley. Below, please find the list of companies currently hiring and links to apply.
